Hi Bill,

It was nice talking to you yesterday.

I'm listing the prices under the current promotion "American" which is the best price with a refundable deposit. The prices will be for the least expensive under that category for a double occupancy. This promotion expired on April 23, 2024.

IE inside stateroom: $\$899 + \304.62 (taxes & port fees) = $\$1203.62$ with \$50 in onboard credit per person. Cunard Care insurance would be an additional \$80.91 per person.
FC obstructed oceanview stateroom: $\$1109 + \304.62 (taxes & port fees) = $\$1413.62$ with \$50 in onboard credit per person. Cunard Care insurance would be an additional \$99.81 per person.
EF unobstructed oceanview stateroom: $\$1179 + \304.62 (taxes & port fees) = $\$1483.62$ with \$50 in onboard credit per person. Cunard Care insurance would be an additional \$106.11 per person.
CB obstructed balcony stateroom: $\$1499 + \304.62 (taxes & port fees) = $\$1803.62$ with \$50 in onboard credit per person. Cunard Care insurance would be an additional \$134.91 per person.
BF unobstructed balcony stateroom: $\$1599 + \304.62 (taxes & port fees) = $\$1903.62$ with \$50 in onboard credit per person. Cunard Care insurance would be an additional \$143.91 per person.
Suites are also available.

The prices will be for the least expensive under that category for a single "Solo's" occupancy.
